

Therech Technologies - Employee Handbook (2026)

Company Overview:

Therech Technologies is an AI and cloud solutions company building intelligent software platforms.

Our mission is to help organizations make better decisions using secure and responsible AI.

Core Values:

1. Innovation - We continuously explore new technologies and ideas.
2. Integrity - We act ethically and responsibly.
3. Collaboration - We work together across teams.
4. Customer Focus - We prioritize customer success.

Working Hours:

Employees generally work Monday to Friday, 9:00 AM to 6:00 PM.

Teams may define flexible schedules based on business requirements.

Probation:

All new employees complete a six-month probation period.

Performance and cultural fit are evaluated during this period.

Code of Conduct:

Employees must maintain professionalism, respect colleagues, protect company information, and follow all company policies.
