

Therech Technologies - Remote Work Policy (2026)

Remote Work Eligibility:

Employees may work remotely up to 2 days per week.

Requirements:

- Manager approval is required.
- Employees must remain available during core working hours.
- Company systems must be accessed securely.

Extended Remote Work:

Medical or exceptional personal situations may qualify for extended remote work after HR and manager approval.

Security:

Employees must not access confidential company data through unsecured networks.
